This year for bookween our class performed a song and dance based on the book Mary Poppins. I think our class was very good because it's funny. My favourite performance was class 5H because it was fantastic. They did a performance based on the book Where's Wally. I hope next year we can do a performance based on Harry Potter.

✓ Well done Icy!

I think 5J's performance was very good.

I would like to see 5J do

Harry Potter too.
