Visiting to the Hong Kong Zoological and Botanical Gardens

(Things you want to bring)

(Things you want to do)

I want to go to the Hong Kong Zoological and Botanical Gardens for a class outing. I can see different kinds of animals. For examples, blue-fronted amazon parrots, American flamingoes, golden lion tamarins and squirrel monkeys. I love parrots the most. They are cute and lovely. I want to go for the outing with my classmates in spring. The weather in spring is nice and warm. I want to have a picnic in the zoo with my classmates. I need to bring a lunch box, a bottle of orange juice and a bag of biscuits. After lunchtime, I want to go to find the parrots and chat with them. I wish I have a great day there with my friends.
