**Friendship**

Mandy was not angry at me for breaking the doll's house. She helped to rebuild it together. We worked very hard until midnight, but we haven't finished. I felt very tired and I didn't continue to repair the doll's house. I went to sleep but Mandy continued to work alone.

I woke up at eight o'clock in the next morning, I found Mandy was sleeping. I felt surprised that the broken doll's house was repaired. I found a note that is written by Mandy saying the broken doll's house was repaired and she gave it to me as a gift.

I thought she is very nice and I hope she can be my best friend forever.
