About Me

Hello, my name is CHAN YU TING. You can call me Emily. I'm currently studying at Confucian Tai Shing Primary School. There are three members in my family, my dad my mum and I. My dad likes doing exercise. As long as he is free, he will take me out to do exercise, so I was influenced by him to sign up the gymnastics class in primary one.

Reading is my favorite hobby because it can enrich me and broaden my vision. I am interested in drawing too because it makes me feel relaxing. Therefore, my favourite subject is Visual Arts.

I am generous. I always share my snacks with my friends. I am also honest. I would not lie to others. I am good at Chinese. I participated in many Chinese recitation competitions and won many awards.

My dream job is to be a cyclist because not only it can build my muscles but also make me stronger. Most importantly, it makes me feel relaxing, practice cycling once a week and I wish I can win the Olympic gold medal; thus I will spend more time to practice cycling.
