Topic: My favourite animal!

Riddle

I have red eyes and long ears.

I run faster than ants.

I walk slower than zebras.

I jump higher than grasshoppers.

I am bigger than mice

but smaller than elephants.

I like to play with my friends.

What am I? A rabbit.

Why they are interesting?

1. White rabbits' eyes are transparent.
2. They cannot eat too much food.
3. They can outrun a cat.
4. They run slower than tigers.
5. White rabbits can live up to 15 years.
6. If a rabbit is angry, you'd better not to mess with it. It will bite you.
