Dear Miss Wong,

I have chosen these activities: choosing the music and preparing the costumes, rehearsing the dance, doing paper cutting.

For doing paper cutting, I have already bought some coloured paper but I have not borrowed enough pairs of scissors yet.

For choosing the music, I have already chosen the music but I haven't borrowed ink, ink stone, paper and writing brushes.

For rehearsing the dance, I have already rehearsed the dance but I haven't found some videos.

For preparing the costumes, I have already prepared the costumes but I haven't learnt how to make the lanterns.

Don't worry. Everything will be ready on Chinese Culture Day.

Best, Jessie
